Swine Flu Vaccinations

FREE

H1N1 (swine) flu vaccine is now available to **everyone**. This flu may spread for many weeks. Get the best protection against H1N1 flu – it's free!

Children under 10 years of age should get two doses of the H1N1 vaccine. If 28 days or more have passed since the first dose, your child is ready for the second dose.

These free clinics are **for people who can't afford to pay** for H1N1 flu vaccination. You will **not** be asked for proof of health insurance or citizenship.
